**FLY AIR XL**

XL Fun! Why paddle alone when you can have loads of fun with up to 7 friends on one giant Paddleboard! Designed by C4 Waterman and tested in the toughest waves of Hawaii and Australia, the Fly Air XL can be used at your local break for super fun waveriding, or on flat water and river tours. The Fly XL is supplied with multiple handles for easy carrying and for holding on when going faster or down a wave. Easily inflatable, stiff and stable, it comes with 2 Bravo standard pumps, and deflates quickly, rolling up into a compact size for easy transportation. Made of strong, durable, heavy-duty Single Layer Technology, the Fly Air XL is just perfect for a bigger group of friends, paddle groups or school classes to have fun on – no matter if tours, races or going down the wave, it's just the ideal Fun/Familyboard for more people!
