

Lundy Island SUP Tours

The Adventure

SUP South West will be exclusively offering SUP Tours to Lundy Island. This is going to be an extremely unique experience. SUP around Lundy Island, explore the beaches, caves and SUP with some of the marine life in the UK's first marine conservation area.

One day tours start with a 2 hour sail across to Lundy. On arrival relax and have your packed lunch whilst taking in the stunning scenery. The SUP boards will be ready to go when you have finished. Wetsuit and buoyancy aid on you will head out down the east side of the Island exploring Gull Rock, and Gannets bay up to Seal Rock. A truly breath taking experience.

Lundy Island

Lundy is a 400 foot granite outcrop in the Bristol Channel with tremendous views of sea and mainland. The waters around it were designated the first marine conservation area. It is an amazing place with no cars or roads or street lights and a huge diversity of ecosystems fantastic for exploring.

For those of you that have a little more time and are seeking a bigger adventure we offer a two day overnight tour package. Camping overnight on Lundy you would then spend your second day SUPing around the west side of the island exploring Surf Point, Black Rock and all the bay's then around the North West Point experiencing the Island wild life upfront and personally. Breakfast, Lunch and dinner are all inclusive, these are provided at the Tavern Inn.

Places are limited so booking is essential.

One day tour £150pp

Price includes boat journey to Lundy, food & drink, tuition and all equipment
